- Network of niche recruiters with deep roots in the HR community
- Recruiting partner focused on your high-priority HR initiatives
- National recruiting leader with offices throughout the U.S.
- Talent provider to small, mid-size & large-scale organizations

## Servicing Every Level and Area of Your HR Organization

From individual contributors and managers, to directors and VP-level talent, The Mergis Group delivers specialized project-based and direct-hire professionals in:

- Benefits
- Compensation
- Employee Relations
- Generalist HR Management
- HRIS
- Labor Relations
- Organizational Development
- Talent Acquisition
- Talent Management
- Training & Development

## Our Recruiting Team

With The Mergis Group, you'll be supported by a team of recruiters who have spent years of their professional career in the HR field. Utilizing their extensive experience, knowledge and network of contacts, they will aggressively recruit top-performing HR professionals out of leading organizations with the precise skills and experience you're seeking.

## Understanding and Responding to Critical HR Issues

More than a recruiter, The Mergis Group acts as a consultant to its clients. A recognized thought leader in the HR industry, we help companies:

- Understand how to attract & retain top talent amid workforce changes
- Tackle critical HR challenges impacting their business—from the aging population & shortage of skilled workers, to Baby Boomer's retiring & rising healthcare costs

## A Business Built on Value-added Relationships

What really distinguishes The Mergis Group from other recruiters is its emphasis on relationships. Partnering together, we'll take the time to understand your business, treating every engagement as opportunity to astonish you with unparalleled HR talent that will make your business stronger.

Let The Mergis Group deliver the accomplished HR professionals you need to operate successfully!
