

Looking for talent with the intrinsic ability to sell, momentum to achieve results, drive to exceed quota and a proven track record of marketing success? The Mergis Group® is your source for high-caliber sales and marketing professionals. Drawing on more than 30 years of specialized expertise, The Mergis Group is a high-touch recruiting leader committed to helping businesses acquire the best sales and marketing professionals for their organization.

Delivering the Right Sales & Marketing Professional, Every Time

What sets us apart from the competition is our approach to your sales and marketing recruiting initiatives. At The Mergis Group, we don't rely on job boards to provide the best pool of candidates. Rather, we spend the time to understand your unique hiring needs and proactively recruit individuals with the specific sales and marketing skills, knowledge and product/service expertise you're seeking. Our focused recruiting approach, deep industry roots and vast networking capabilities ensure you'll receive high-producing sales and marketing professionals that will thrive in your workplace.

Supported by a Strong Network of Industry Experts

When you need top-notch sales and marketing professionals, who better to meet those needs than recruiters with years of hands-on, proven sales and marketing experience? At The Mergis Group, we know what it takes to succeed in this industry and how to find talent with the intangible attributes that ensure you do. Our recruiting team is comprised of seasoned sales and marketing professionals—ranging from sales executives and product managers to marketing directors—who use their prior experience and knowledge to attract challenge-driven, results-oriented professionals to your key positions.
