

Building a successful business requires more than a great product or service; it requires great people with the aptitude and expertise to propel your business forward. In your quest for professional talent, there is a recruiting partner that is dedicated to helping you gain a clear hiring advantage—we're The Mergis Group®.

## **A Highly Specialized Recruiting Leader**

The Mergis Group is a specialized professional placement firm committed to helping companies hire the best talent for their business. Built on 30+ years of expertise, we provide high-touch recruiting services to a broad spectrum of clients, from Fortune 500 companies to small and mid-sized businesses. We believe there is substantial value to be gained by applying the best-choice professionals to your leading positions. To that effort, we work closely with each client to understand their unique business, culture and hiring requirements, ensuring they receive talent that will bring immeasurable value to their organization.

## **Our Resources and Knowledge Become Yours**

With The Mergis Group as your recruiting partner, you'll be connected to a vast supply of resources and knowledge that will give your business a competitive advantage. Operating through a nationwide network of offices, your hiring initiatives will be supported by a dedicated team of recruiting experts that have established relationships throughout your local business community. Plus, you'll gain access to an exclusive, real-time database of qualified candidates that entrust their career decisions to our recruiting expertise. We place a broad range of specialized talent, including accounting & finance, engineering & manufacturing, legal, technology, sales & marketing and human resources professionals.

## **Delivering the Ideal Candidate Every Time**

Based on a solid understanding of the professional marketplace, The Mergis Group is equipped with the industry insight, assessments and interviewing tools needed to fully qualify candidates for your key positions. Driven by recruiting best practices, we'll thoroughly evaluate each candidate to identify individuals with the skills, experience, personality and career ambitions that align best with your culture and hiring requirements. In addition, once a candidate is selected, we'll take care of all of the logistics necessary to get them off and running in their new position.

## **A Business Founded on Strong Partnerships**

Acting as a strategic extension of your HR team, The Mergis Group will deliver the high-performing direct-hire, project and contract-to-hire professionals you need to achieve your business objectives in the most results-oriented, time-efficient and cost-effective manner. Our consultative, industry-specific approach has helped thousands of companies acquire highly skilled professionals that have become indispensable assets to their workforce.
